Great job!

Letter from the Prez

It's hard to believe that it is almost the end of January! The riding has been great everywhere with all the snow! The club BBQ at Trestle was well attended and everyone had fun, including Sandra Mitchell from ISSA. She mentioned she had never attended a club BBQ, and was quite impressed with ours! She also had fun riding with a group of members that took her to Moose Lake, and we even had her hill climbing.

www.sandpointwinterriders.com is now officially on the web, so check it out! It includes plenty of information and fun pictures! If you have information to submit, there is a form on the bulletin board page and club photo album, including items to sell. Need to know about avalanche safety? Visit the Avalanche page to get detailed information and survival awareness. Want to renew your membership or have someone else join the club? Just go to the Join Us! Page and use the online store, or print an application form. Need to know the schedule of rides or other activities? Go to the Rides, Meetings or Calendar of FUN for all the details. Inter-

LETTER FROM VP

Hello again everyone, isn't this weather just perfect, nice and cool lot's of snow, it's great. Well the last ride and barbeque was a blast, I had a great time and I'm sure all of you who came had a ball too. Somebody said they had counted around 75 snowmobiles at the play area so there had to have been over 100 with some of them still out playing. That's quite a turn out. Next time though, we will have the cooker going a little sooner so that people aren't waiting so long. For the next ride we have changed the date from the 3rd to the 10th to avoid Super Bowl Sunday and that will put the ride after the next meeting so it will just work out better anyway. Thank you all for a great turn out at the last ride and I will see you at the next meeting on the 6th.

Change in Schedule

Due to Super Bowl Sunday

We have changed the date to the Roman Nose Club Ride and Barbeque to February 10, Sun,

We are sorry for the inconvenience

ested in public lands issues? There's a page for that too! And much more! This website will be the place to send everyone to learn about us and join our GREAT club! We encourage all members to submit articles and pictures!

February is filled with lots of FUN! We have our meeting on the 6th, which will include a theme of "wear your brand and show appreciation to your dealers", with everyone encouraged to wear their snowmobile brand's shirts, hats, or any other attire. We'll honor our local dealers for all their support of this club, through time spent, donations and commitment. Please plan to attend! We have changed the Roman Nose BBQ from the 3rd to the 10th so everyone can watch the Super Bowl. Please mark your calendar accordingly and tell your friends! McCall will be the weekend of Feb. 16-18th.

I hope that your riding has been fun so far, with safety as the first priority. We are in the height of avalanche season, with this year having exceptionally dangerous conditions due to the weather patterns and amount of snow. First, be smart. Second, be careful. Third, have fun! In that order... Anita Pielat
