Letter from the Prez

First off I want to thank the sponsors who made our Arctic Cat 120 Raffle possible to help the Cordle Family and their son who is battling cancer. I am anxious to hear the final tally on how much money we raised from ticket sales.

While waiting for more snow to fall I watched the Winter X Games on ESPN the other weekend. Did anyone else see that guy attempt the double back flip on his snowmobile? I have to admit I didn't think he would land it as well as he did. Some of those guys are pretty frick'n crazy.

On another note I received a phone call from Steve Pettish of Bonners Ferry and he said they

were really cracking down hard on snowmobile registrations in the Bonners area. He especially mentioned Highland Flats which would be Falls Creek and Ruby Creek parking areas; so get your licenses before this weekend's Roman Nose ride because they are patrolling hard.

And other news about our rides; the March 7th ride (Saturday) up Roman Nose has been changed to March 8th (Sunday) up Trestle Creek.

Please be thinking about the up and coming elections. It is time to step up and do your part for the club and help keep it going, as well as protecting our right to ride. See you all at the ride or at the next meeting on the 4th.

Scott Wood

Co- President Elect

Hi there. Are you praying for snow? We have a good base now that would be perfect for some fresh powder to play in! I had a chance to go to CDA and watch the Snow Cross Races last Sunday. It was a bit chilly in the morning but the sun and the racing warmed us up! There was some AWESOME riding going on. All the York's rocked!

Ted Reed
Co-Vice President

I want to give a special "thank you" to everyone that helped at the benefit for Tyler! There was a fantastic turnout and the raffle tickets for the sled were selling great. Be sure to attend the next club meeting for the sled drawing. Also, please mark your calendars for February 7th for the Snowmobile Drag Races in Bonners Ferry. This is put on by the snowmobile club in Bonners, so be sure to come and support them!! Keep wishing for snow and hope to see you soon on the mountain!!
